

## WE ARE OPEN

### Important update Coronavirus – 1 July 2020

Further to recent Government announcements and guidance, we are now able to offer pre-booked personal appointments. For further details or to book a meeting please contact us in the normal way, or on 01306 880110. We are preparing the offices for our return in due course, but until that time we will only arrange appointments on a pre-booked basis.

We encourage you to keep checking our website for regular updates -
